

**FISCAL MEMORANDUM**  
**HB 2917 – SB 3162**

March 31, 2008

**SUMMARY OF AMENDMENT (016170):** States that “work release” or “work release program” shall include any assignment to a work crew in which a prisoner is permitted to go out into the community, whether supervised or unsupervised, but does not include a work assignment to TRICOR or any TRICOR facility.

**FISCAL IMPACT OF ORIGINAL BILL:**

Local Expenditures – Net Impact – Not Significant

**FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:**

**Unchanged from the original fiscal note.**

Assumption applied to amendment:

- Local governments may experience an increase in expenditures due to more inmates being ineligible for work release. Any such increase may be offset by a decrease in expenditures if those offenders are eligible for another alternative sentence and the court chooses to impose such a sentence in the absence of the work release option. Due to lack of relevant data, it cannot reasonably be determined whether the net effect of this bill will be an increase or a decrease in local government expenditures. It is assumed that the net impact of these changes on local expenditures will not be significant.
